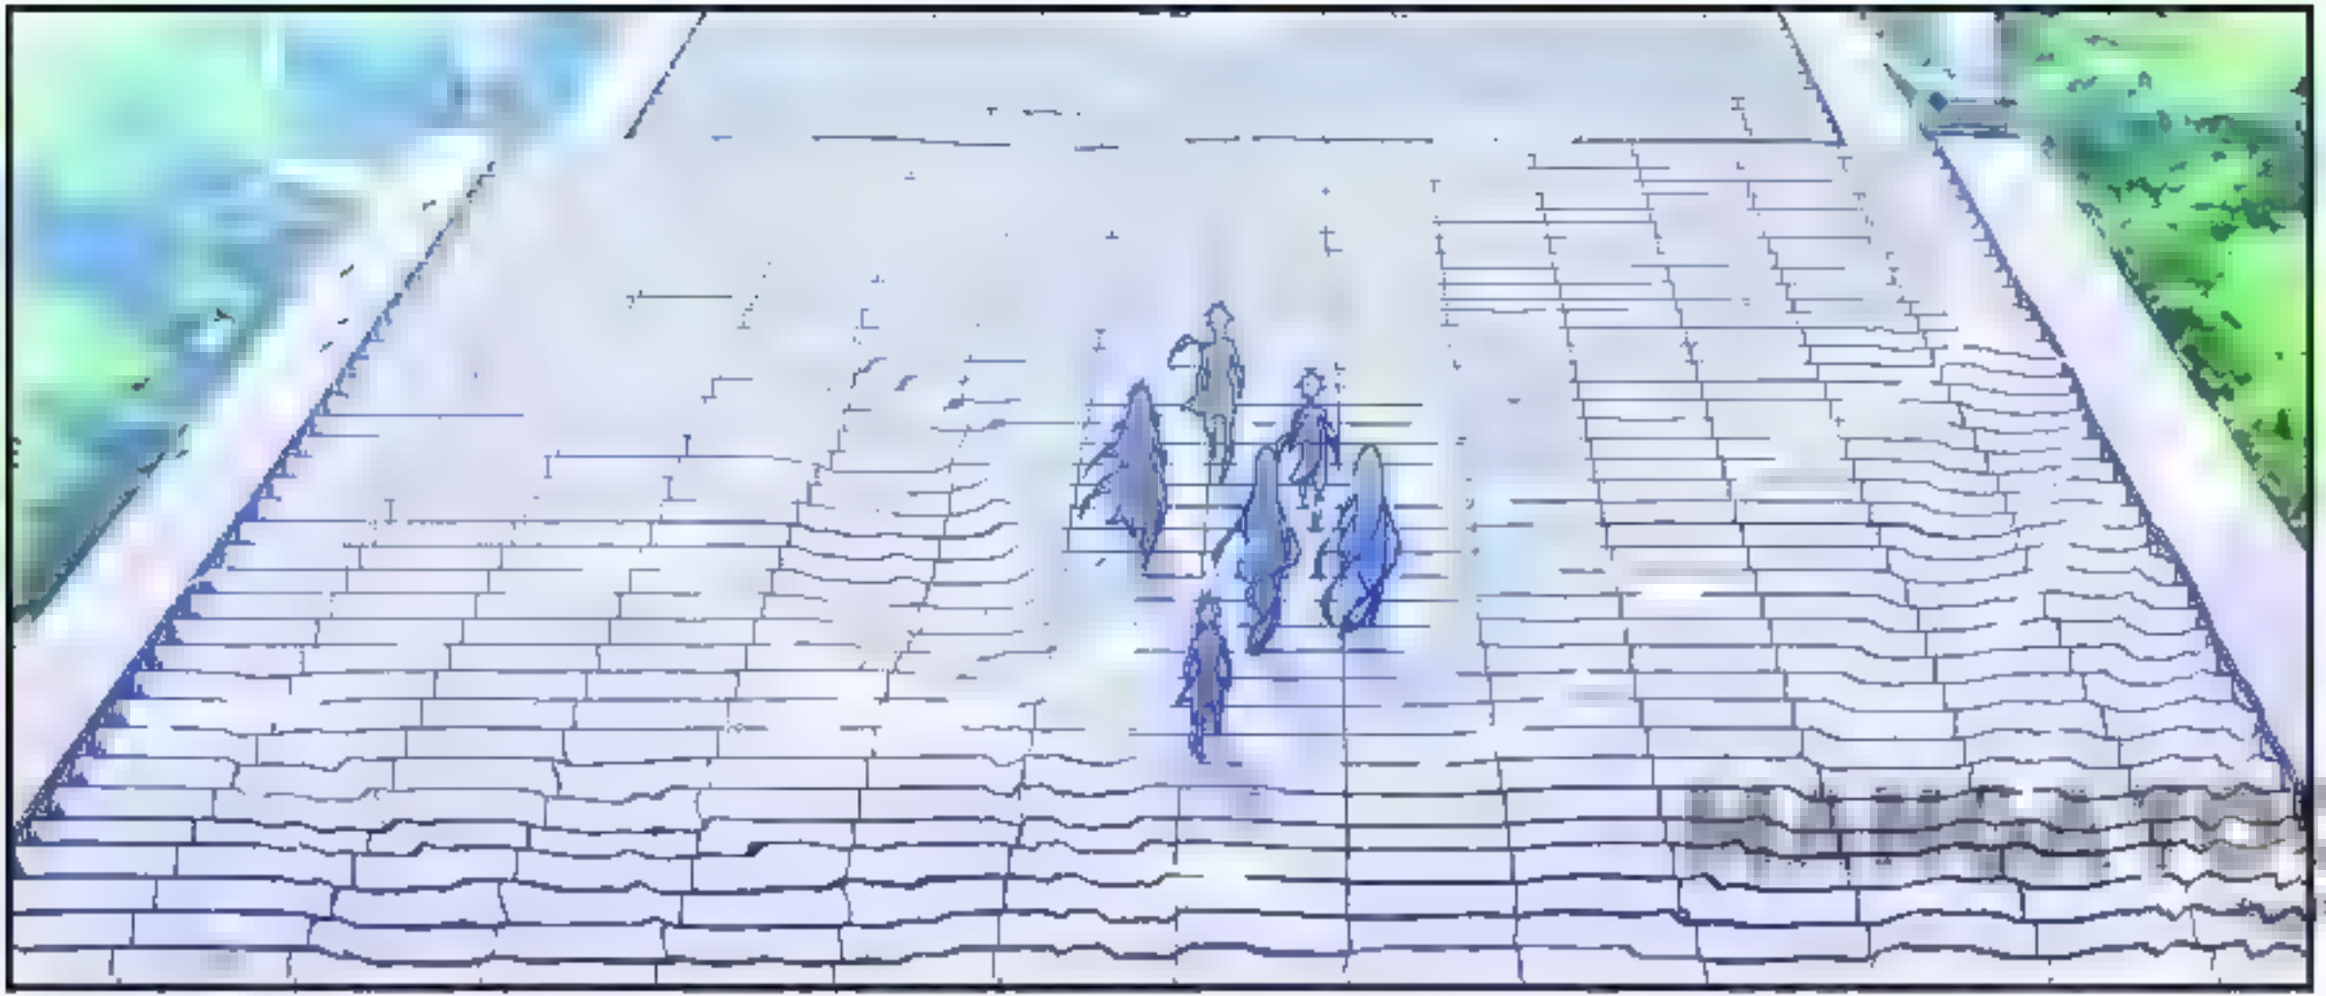
86TH STEP

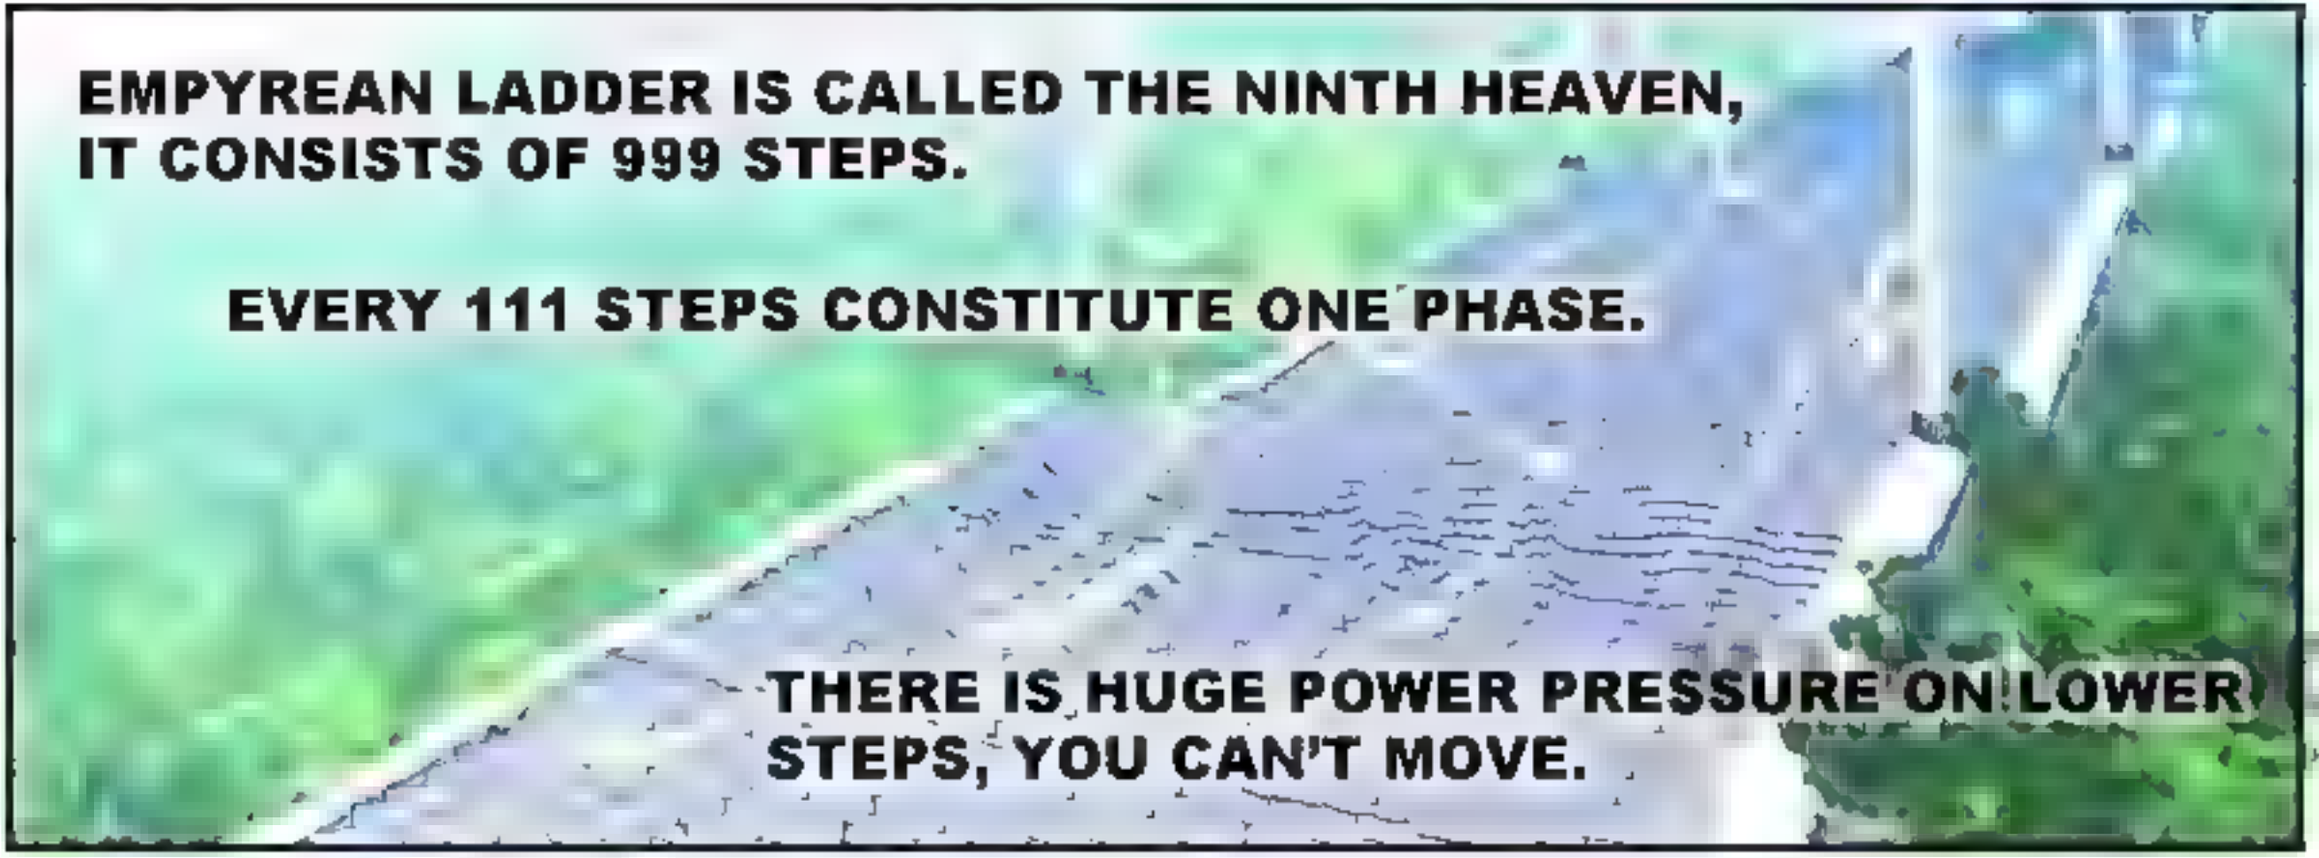
CRACK!
HEUGH!

WU!



THESE LITTLE GUYS ARE SERIOUS ABOUT THIS.
WHAT IS 86TH STEP ABOUT?

YOU GET A SHORT MEMORY.
DIDN'T SUFFER ENOUGH BACK THEN.



EMPYREAN LADDER IS CALLED THE NINTH HEAVEN,
IT CONSISTS OF 999 STEPS.
EVERY 111 STEPS CONSTITUTE ONE PHASE.
THERE IS HUGE POWER PRESSURE ON LOWER
STEPS, YOU CAN'T MOVE.

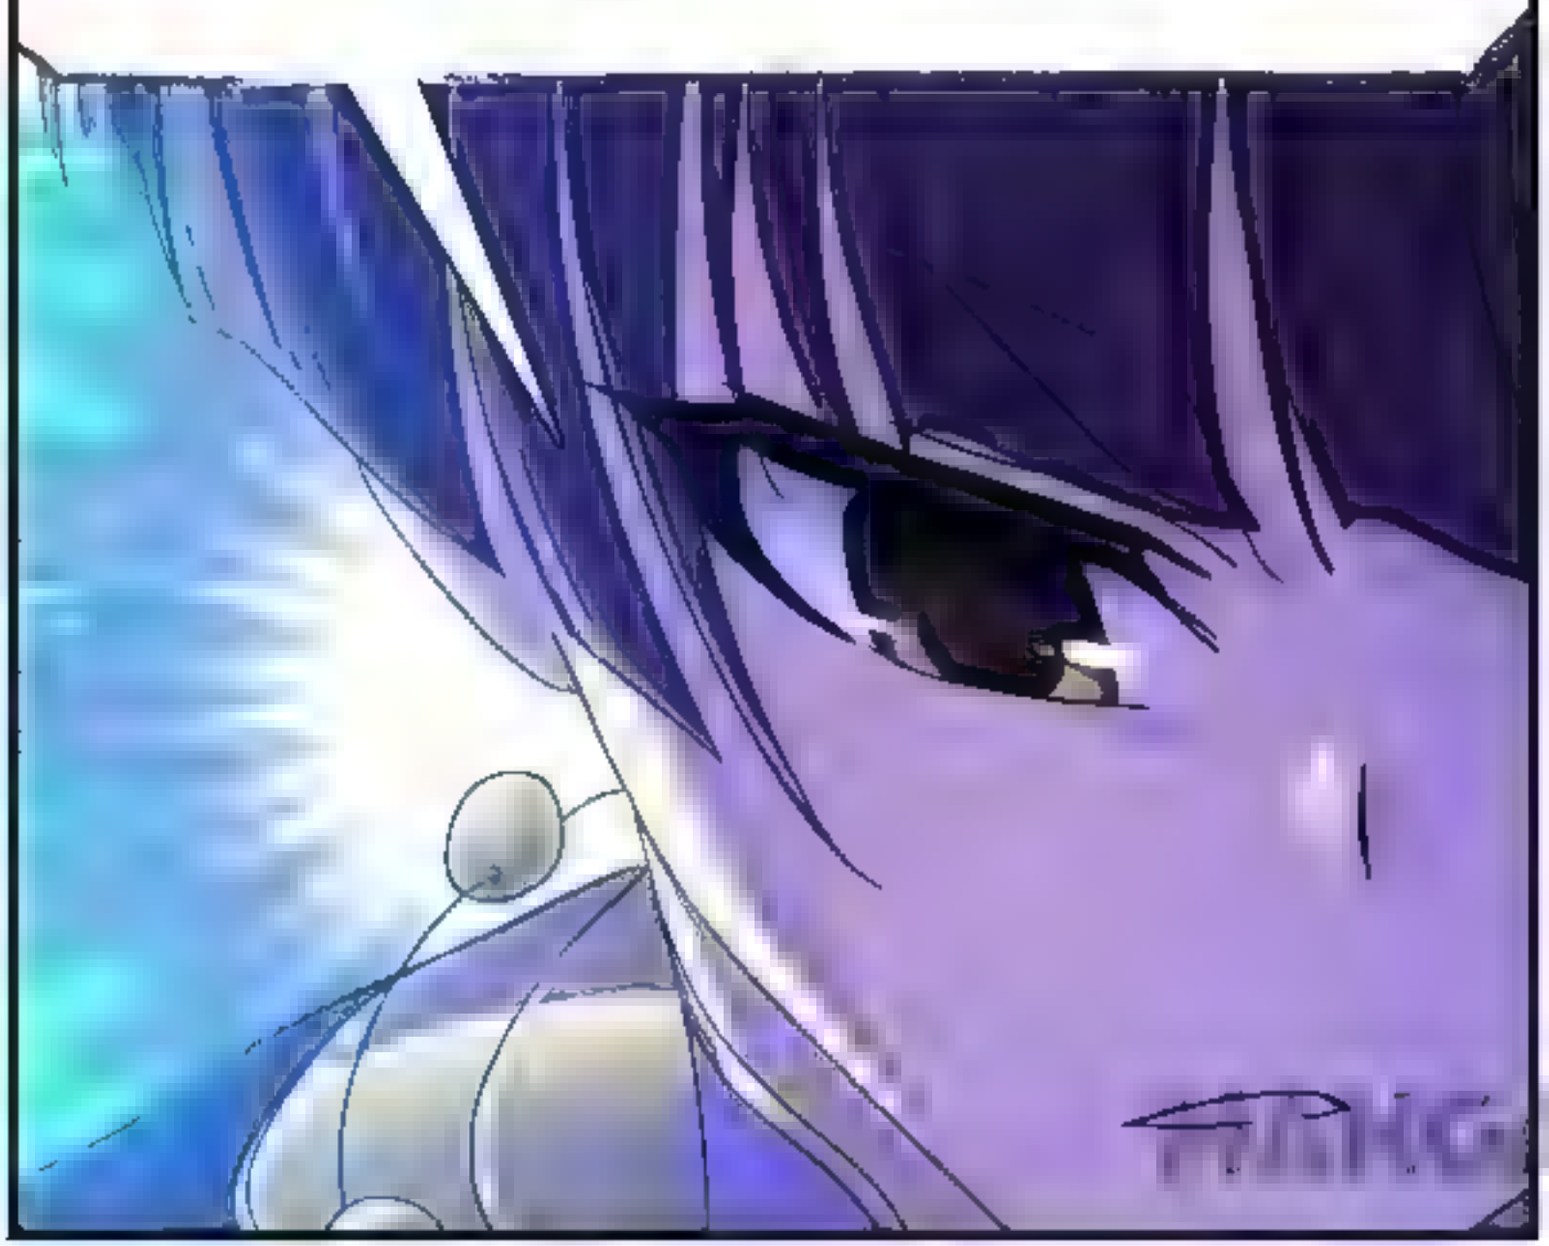
EMPYREAN LADDER IS A MIRACLE CREATED BY GOD AND SHALL NOT BE EXPLAINED AS USUAL.
AS A MIRACLE, IT'S NOT ONLY HOLY, BUT ALSO...
CHAOS!

MANGATOON

THE POWER PRESSURE IS LIKE A COMPLICATED CREATURE IN HUGE FOREST.
THE HIGHER YOU GET, THE MORE POWER PRESSURE YOU WILL FEEL, EVEN FEEL LIKE SKIPPING OR CONFUSED.

PHASES ON EMPYREAN LADDER ARE DIFFERENT.
DOZENS OF STEPS USUALLY FORM A SMALL WORLD.

FROM 86TH STEP TO 98TH STEP, I NAMED THEM BACK THEN–



MANGATOON

ICY STEPS!

WHOOSH

MANGATOON

NOT AGAIN.
A WORLD OF ICE AND SNOW.
I EXPERIENCES THE COLDNESS WHEN I FIRST CLIMBED THE HOLY LADDER.
BUT ON THIS STEP, THE FREEZING COLDNESS IS EVEN HARDER TO TAKE.

WHAT?
PENG!
SHAKE AND CAN'T MOVE UNDER SUCH LITTLE COLDNESS?
